Dear Sir:-

We are informed that Samuel Crawford, Cashier of your Freight Department at Portsmouth, Ohio, is taking a very active part in soliciting signers on a petition for voting out saloons in Portsmouth. We take for granted that your Company does not sanction any action detrimental to its business. No doubt you are aware that the Norfolk & Western obtains considerable business from the trade in Portsmouth, and we would ask you to take this matter up with the proper authorities, and see if you cannot convince Mr. Crawford that it would be better for all concerned if he discontinued taking an active part in these matters.

Thanking you in advance for giving this attention, we remain,

Respectfully yours,

Dic.S.B.
