Mr. H. L. Daw,
AGFA, N&W Ry,
Columbus, Ohio.

Dear Sir:

Your letter Nov 30th, file 23111-Z. King Bridge Co., Cleveland advise that they put in a bid for the S&W bridge material, but have not yet been advised that they had secured contract. If they are successful, they propose to forward the business via CA&C and N&W, provided S&W put no obstacles in the way. There seems to be some question about the rates from Cleveland to Clinchport and Johnson City. Please advise the best you can quote.

Yours truly,

SSB
