Dear Sir:- One case of hardware, 355 lbs. consigned to us, covered by Boston to Columbus Erie Despatch way bill # 60 of Oct. 5th. We are advised by Erie agent at Marion that this shipment left his station last Thursday in D. & H. car 15565, but are advised by agent N. & W. here that has ~~not~~ not yet been received. It is imperative that we have this shipment at once and would ask that you investigate this personally, and if same is not yet in your possession, kindly take up with Hocking Valley agent, making a special endeavor to get same loaded to us this afternoon, in order to effect delivery early Tuesday morning.

Thanking you very kindly for your attention, we remain.

Yours truly,
The Selby Shoe Co.
