Mr. W. H. Francisco,

Gen. Yds. Master, PCC&St.L. Cols.O.

Dear Sir:-

A.R.L.12927 Dr. Beef from So.Omaha June 20th for Norfolk Va. arrived at this station 9.10 PM. June 23rd and was pulled from the Icehouse at 9.25 PM. This car should have been forwarded on Norfolk and Western train # 84 at 10.30 PM. but instead, it did not leave Columbus until 4.50 PM. June 24th which caused a delay of 19 hours and 25 minutes at Columbus.

This car left the Icehouse in ample time to make connections with the N&W train # 84 June 23rd. Kindly arrange to give these shipments better movement in future and oblige.

Yours truly,

*A. Smith*
