Chapter Meeting in Columbus Snakes Alive!

Chapter Meeting in Columbus, November 18

Our next chapter meeting will be held SUNDAY, November 18 from 1 to 4 in the Depot Conference Center on Old Henderson Road, Columbus. See the map and directions below for the exact location. This Depot is a 1880's depot that was formerly in the village of Brice, Ohio. The walls are from a 150-year-old Quaker church, and the slate roof was originally on a 200-year old barn. The location is near the CSX railroad running north from Columbus. Our meeting in this location is through the good efforts of Bruce Warner.

Program will be by Gary Shaeffer from Astabula, Ohio, talking about the PRR in Northeastern Ohio.

We would like to have a good display of models and artifacts for this meeting. We know many of you are accomplished modelers, so please share your efforts to inspire the rest of the members. Models under construction are welcome as well as finished models, and this is not a competition—no judging or nitpicking will be permitted! If you have questions about modeling, bring them, and we'll try to get some answers from the combined wisdom of the group.

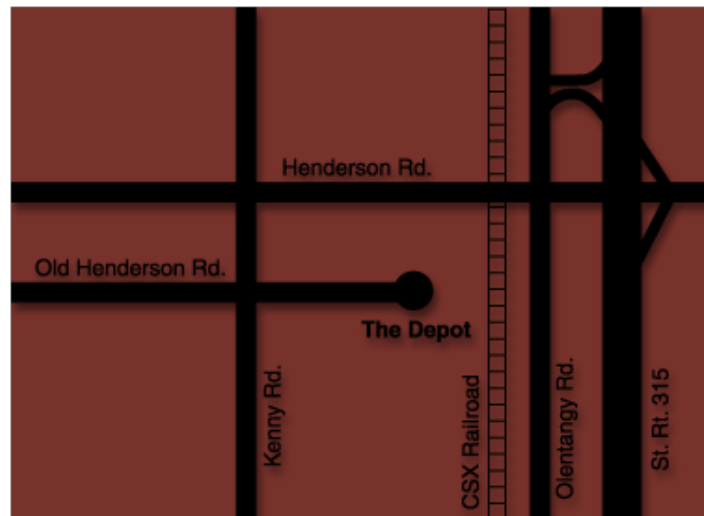

The next meeting will be planned for February, which is the annual election of officers. Our November meeting would be a good opportunity for members to step forward and volunteer to serve the group, or for you to nominate someone you feel would be an asset to our group.

SNAKES ALIVE!

The following memo was submitted by Dick Jacobs:

Pittsburg, Pa. April 16, 1952
2:00 AM

Conductor of No. 66 of April 15th, Engine 5828A/??19A with 12 cars (Conductor J.M.Mackey, Enginmen L.J.Hallman; reported on arrival at Altona:

In vicinity of Latrobe Pa., Pittsburgh Division; the dining car steward when about to go to bed ion 9th car in train Car 663 Slpr JBarney, St.Louis/New York car reported to train crew he observed a snake in the car.

Train crew made examination found and killed two snakes about 2 ½ ft long and one other snake about 15 inches long. Were unable to identify kind of snakes but described them as being black with red belly and red spot on back of head.

No personal injuries.

B. W. T.

See you in Columbus!
