

## LINES WEST - BUCKEYE REGION CHAPTER

### Pennsylvania Railroad Technical & Historical Society

\*\*\*\* Bulletin No. 2016-04 November 2016. Newsletter \*\*\*\*

#### Lines West - Buckeye Region Chapter.

The next Lines West-Buckeye Region Chapter meeting will be on **Sunday, December 4, 2016, 1 - 4:30 pm** at The Upper Arlington Main Library, lower level, **Friends Theater**, 2800 Tremont Road, Upper Arlington. **The library has new entrance driveway, be aware of this change.**

#### News from Chapter President Al Doddroe:

The chapter meeting will be on Sunday, 4 December at the Upper Arlington Main Library, in the Friends Theater. The room is reserved from opening time, 1:00 pm until 4:30.

Business meeting will start at 1:30, followed by a slide/power point presentation by Alex Campbell on PRR and PRR related subjects around Columbus and central Ohio.

This meeting is in December due to too many conflicts on November Sundays. It might be appropriate to consider days other than Sundays for future meetings. I will be open to suggestions from the membership at the meeting.

This being the last meeting of the year we will take annual dues renewals at the meeting for those who chose to pay ahead.

This is a good time to bring models and artifacts for display. The library meeting room should have adequate space to set up displays. Please consider bringing something to show what you have been working on or would like to display a PRR history item.

Lines West Buckeye Region Chapter, Newsletter Editor, Ron Widman.

[For all of the "O Scale" operators in our chapter, a current DVD copy of my colorful holiday train documentary "The B&O RR's Original O Scale Operating Train Layout", can be found in the U.A. Library DVD section. This DVD was filmed in 2000, a few years before the entire layout was moved from the original C.G.&E. building in downtown, to the Cincinnati Union Terminal for permanent display. This classic and portable 1936 'O Scale' prototype layout was setup and operated every holiday season by dedicated employees of both the B. & O. R.R. and the Cincinnati Gas & Electric.]
