#### Lines West – Buckeye Region Chapter.

The Lines West-Buckeye Region Chapter meeting will be on Sunday, 28 February 2016 at the Upper Arlington Main Library, 2800 Tremont Rd., Upper Arlington.

Library opens at 1:00 pm. We have the Friends Theater room reserved from 1:00 to 4:30 pm. Business meeting will commence at 1:30.

The agenda will be the annual election of officers for 2016. The positions open for election are President, Vice President, Secretary and Treasurer.

Persons desiring one of those positions can state their interest at the meeting. The floor will also be open for nominations at that time.

At the conclusion of the business meeting the program will be viewing the second DVD from the last meetings program showing Victor Ketcham's movies of the PRR in Columbus, and other areas of the railroad system.

We are into a new year now, which means it is time to renew your membership and pay dues for the year. We will be accepting dues payments from library opening at 1pm until the start of the business meeting at 1:30. Please fill out a new Membership Dues Record form when paying your dues. The form is important to the Secretary in maintaining an up to date roster.

## **The Original Port Columbus Airport Terminal.**

**Back in the days of TAT, Transcontinental Air Transport, the Pennsylvania Railroad played a most important part in the journey. The PRR was 1/5 partner in TAT by giving \$500,000.00. As most everyone knows the history story, the first stop on the journey was in Columbus at the airport terminal that still stands on East Fifth Avenue, just south of the modern airport. [Renovations are being planned as new roof has been put on and inside has been cleared of mold and other problems.]**
