

ACKNOWLEDGEMENTS

The *Towers and More* section of columbusrailroads.com has not been a one man effort. Many people have contributed to the section. I want to let you know who they are and thank them for making this section far more informative then I could have done on my own.

To the photographers and those contributing photos from their personal collections thanks to Phil Albano, Dave Bunge, Dick Hoover, Ryan Hoover, John Fuller, Galen Gonsler, Donald Kaiser, B.J. Kern, Doug Lanum, Edward Lawson, Bob McCord, Ed Miller, Gary Rolih, David White, and Jay Williams.

For help with background information that enhanced the descriptions thanks to Dave Bunge, Ernest Clausing, Cliff Clements, James Evans, Sr., James Evans, Jr., Glenn Fisher, Paul Geiger, Dave Hyer, Jim Kehn, Frankie Kern, Daniel Macke, Ed Miller, Gary Rolih, Bruce Warner, and Pete White.

Bibliography

The Hocking Valley Railway, by Edward Miller, Ohio University Press, 2007

The Pennsylvania Railroad in Columbus, Ohio, by Rick Tipton, The Pennsylvania Railroad Technical & Historical Society, 2011

Pennsylvania Railroad Facilities Volume 14: Buckeye Division East of Columbus Union Depot, by Robert Yanosey, Morning Sun Books, 2011

Pennsylvania Railroad Facilities Volume 15: Buckeye Division Columbus Union Depot and West, by Robert Yanosey, Morning Sun Books, 2011

A Sampling of Penn Central, by Jerry Taylor, Indiana University Press, 2000

Finally, there is more to be learned about Columbus' many towers and agencies such as the types of machines used in the various towers, the early towers and agencies, dates towers were taken out of service, towers that were added after the 1960's, personal stories from operators and much more. If you have information you would like to contribute please send a message to Alex Campbell, columbusrailroads@att.net .
