

Columbus
VIEWS.

The image shows the front cover of a book. The cover is a deep red color with a fine, vertical ribbed texture. A decorative border is embossed into the cover, consisting of a double-line rectangular frame. The corners of this frame are adorned with ornate, symmetrical scrollwork designs. In the center of the cover, the title "Columbus VIEWS." is embossed in a gold-colored, raised font. The word "Columbus" is written in a large, elegant, cursive script, while "VIEWS." is in a smaller, all-caps serif font. The entire design is set against the textured red background.
